Pharmaceutical transport

**As the only carrier
We provide 24h monitoring
online!**

KMM Logistics Service has been on the transport market since 2008. Our company is located in Olsztyn, region of Warmia and Mazury. The founders of the company were based on long – term experience , gained trough working in the trucking industry for other companies. We offer cooperation in terms of transport and forwarding services. The main area of our activity is Europe and Asia including Russia. But we are also open for new directions and possibilities.

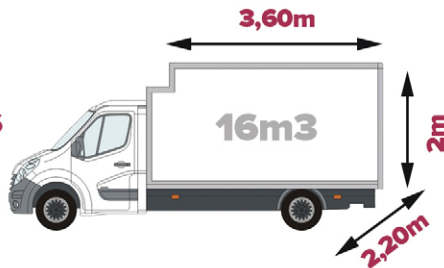

Pharmaceutical transport

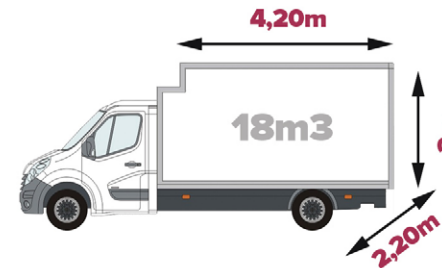

KMM Service Logistics specializes in pharmaceutical transport, medicines, clinical trials, dietary supplements. The our main advantage is professionally prepared vehicles, expertise and knowledge of the pharmaceutical market. We supply cold (from 2 to 8 degrees) and worm (from +15 to +25 degrees) chain of the delivery from the planning of transport by appropriate protection of goods until unloading at the destination. That's allows for great flexibility, time of the delivery and eliminates the risk of damage the transported goods. We guarantee the safety of the transport of temperature-controlled. Our competence are certified by GPD.

We have the Following trucks :

**Frigo trucks
6 EU/PAL**

**Frigo trucks
8 EU/PAL**

All our drivers have a mobile phone and are in constant touch with the freight forwarding team. We are available 7 days a week, 24 hours a day.
